

## Brand your food!

### Menu.ht Recipe

- 5 tablespoons of **Creativity**
- 1 ½ cup of **Innovation**
- 25 oz of simply **Clean Design**
- 1 fully **motivated** and **Dynamic Team**

“Menu.ht is your best choice for a solid online directory of the Haitian gastronomic world.”

### What will menu.ht do for you?

Nowadays communication is key, Menu.ht is your sole and greatest option to be present in your consumer's mind by fulfilling their needs. Bring them your menu in one click!

Our mission and focus are to give the Hospitality sector in Haiti the attention that it deserves, nationwide and also in the international market.

We give you the best in gastronomic diversity as well as event listings, offers, AD spaces and the means to publicize your complete information in order to maximize your visibility in the hospitality market.

We meticulously take care of your image and sell your brand throughout the world, because YOU deserve it.

### Take a bite...What's in it for you

- A place where you can share, in an interactive way, with the hospitality market your specialties.
- Cost-effective advertising with high visibility
- Easy access to your consumers national and abroad.
- Communication to your consumers through our platform.
- Strategic information about your market, trends that can help you take business decisions and increase your market share.

### They will know... They will see you

Your consumers will have a chance to select you in their indecisive moment of “what should I eat... Where should I eat”. Be the one they pick the most, be at the top of their “I want...” list by being present on Menu.ht and available.
